

# Eastbourne Town Centre Improvement Scheme (ETCIS)

Dear Resident/ Business owner

As our work on the Eastbourne Town Centre Improvement Scheme progresses we are now planning to start work in South Street to upgrade the temporary bus stop to a permanent bus stop by replacing kerbs, resurface the footpath behind the kerbs and placing appropriate road markings in the road. The temporary bus stop will be maintained during the works but may need to be moved slightly to accommodate the working area.

Access to all properties will be maintained during these works.

This work is planned to take up to 5 days, but this is subject to change depending on ground surveys and working areas permitted. These works are planned to start Monday 9<sup>th</sup> July

We apologise for any disruption this work may cause, and we thank you for your co-operation and patience during this time

If you have any questions or comments, please do not hesitate to contact me.

Yours Faithfully

Nicki Main  
Communication Officer
