

# Eastbourne Town Centre Improvement Scheme (ETCIS)

Dear Resident/ Business owner

As our work on the Eastbourne Town Centre Improvement Scheme progresses we are now due temporary change the layout of the bus route along Terminus Road to accommodate the construction of the town centre improvements.

This will include:-

- Temporary pedestrian fencing (safety)
- Excavation and temporary surfacing
- New drainage, kerbing and granite paving to proposed carriageway

Access to all properties and businesses will be maintained during these works but please do not put any advertising or display boards on the footpath during this time.

This work is due to commence Monday 16<sup>th</sup> July and be in place until end September 2018, when the temporary pedestrian fencing will be removed and the buses redirected onto the permanent new carriageway along Terminus Road.

The remainder of the footpath works along the southern side will then be undertaken in sections to minimise any further disruption, we shall update you on these work nearer the time.

We apologise for any disruption this work may cause, and we thank you for your co-operation and patience during this time

If you have any questions or comments, please do not hesitate to contact me.

Yours Faithfully

Nicki Main  
Communication Officer
