

# Townside Hunger Hill Improvements

## Night works and road closures

As our project is nearing completion, please be advised of our upcoming night work.

[www.hungerhill.today](http://www.hungerhill.today)

Please see our community website for full details and diagrams, or our site information boards which are located around the project. **Please note, these works do have noisy elements.** We apologise for the inconvenience and thank you for your continued co-operation and patience.

**Tuesday 7<sup>th</sup> – Friday 10<sup>th</sup> May - from 19:00 to 06:00**

There will be lane closures around the Hunger Hill Junction to enable the installation of traffic signal loops. This will involve saw cutting the new road surface and whilst we will do all we can to minimise the disruption, these works will create noise.

**Saturday 11<sup>th</sup> May 20:00 – Monday 13<sup>th</sup> May 06:00**

We will be closing Towngate Bridge southbound to continue the jointing works to the bridge. The diversion route will be via Wimborne Road, Cabot Lane, Broadstone Way and Holes Bay Road.

This closure will be installed again from **Monday 13<sup>th</sup> May 19:00 – Tuesday 14<sup>th</sup> May 06:00** to complete the jointing works. These works will also be creating noise.
